

How can I get more involved?

There are several opportunities to get more involved as a member of the Friends including:

- helping on the Friends' pre-owned booksales stand at exhibitions like the annual Railway Festival;
- suggesting speakers (including yourself if appropriate) to participate in the Friends Lecture programme;
- submitting articles for publication in *North Star*
- assisting with member recruitment
- assisting with marketing and promotion of Friends activities, including preparing posts for Facebook and website content.

We are also very keen to welcome new Trustees to fill existing vacancies on the Council.

So if you think you have some skills, experience, or interest in any of the above, and have some time to spare, do get in touch by email to fofsrcm@gmail.com
